CES 541 Environmental Stewardship and Social Justice
Special Topic: The Global Perspective

Spring term, 2018

Instructor: Michael M. Bell

Passionate about issues of social and environmental justice? Join us in debating environmental stewardship from the perspectives and experiences of different cultures and societies, reflecting on our status and struggles worldwide, and forging future possibilities together.

Lecture:
Monday, 4-5:30pm (270 Soil Building)

Sections:
55009/55172 Thursday 3-4:15pm (Van Hise 155)
